RADIOTECH does not represent nor warrant that the security system may not be compromised or circumvented, or that the system will prevent any loss by burglary, hold-up, fire or otherwise; or that the system will in all cases provide the protection for which it is installed. If a fire alarm system to code is specified in the schedule of installation then RADIOTECH will install fire alarm equipment pursuant to AHJ requirements. Buyer agrees that any equipment required by the AHJ not specified in the schedule of installation shall be an extra to this contract to be paid for by Buyer at time said additional equipment is requested.

15. DELAY IN INSTALLATION: RADIOTECH shall not be liable for any damage or loss sustained by Subscriber as a result of delay in installation of equipment, equipment failure, or for interruption of service due to electric failure, strikes, walk-outs, war, acts of God, or other causes, including RADIOTECH's negligence in the performance of this contract. RADIOTECH shall not be required to service the communication software unless it has received notice from Subscriber, and upon such notice, RADIOTECH shall service the communication software to the best of its ability within 36 hours, exclusive of Saturday, Sunday and legal holidays, during the business hours of 9 a.m. and 5 p.m. Any repair or other services provided by RADIOTECH to Subscriber's alarm or security equipment shall be at RADIOTECH's option on a per call request by Subscriber, and Subscriber shall pay for such labor and material at time such repair or other service is performed. All such repair or other service shall be governed by the terms of this contract. In the event Subscriber complies with the terms of this agreement and RADIOTECH fails to repair the communication software, Subscriber agrees to send notice in writing by certified or registered mail, return receipt requested and Subscriber shall not be responsible for payments due while the communication software remains inoperable. In any lawsuit between the parties in which the condition or operation of the communication software is in issue, the Subscriber shall be precluded from raising the issue that the communication software was not operating unless Subscriber can produce a post office certified or registered receipt, signed by RADIOTECH, evidencing that service was requested by Subscriber. Only communication software is covered by service. It shall be Subscriber's sole responsibility to maintain the communication hardware and Subscriber's alarm equipment and system in working order.

17. ALTERATION OF PREMISES FOR INSTALLATION: RADIOTECH is authorized to make preparations such as drilling holes, driving nails, making attachments or doing any other thing necessary in RADIOTECH's sole discretion for the installation and service of the security system, and RADIOTECH shall not be responsible for any condition created thereby as a result of such installation, service, or removal of the security system, and Subscriber represents that the owner of the premises, if other than Subscriber, authorizes the installation of the security system under the terms of this agreement.

18. SUBSCRIBER'S DUTY TO SUPPLY ELECTRIC AND TELEPHONE SERVICE: Subscriber agrees to furnish, at Subscriber's expense, all 110 Volt AC power and electrical outlets and receptacles, internet connection, high speed broadband cable or DSL and IP Address, telephone hook-ups, RJ31x Block or equivalent, as deemed necessary by RADIOTECH.

19. LIEN LAW: RADIOTECH or any subcontractor engaged by RADIOTECH to perform the work or furnish material who is not paid may have a claim against purchaser or the owner of the premises if other than the purchaser which may be enforced against the property in accordance with applicable lien laws. RADIOTECH is legally required to deposit all payments received prior to completion in accordance with New York Lien Law subdivision four of section seventy-one-a, and in lieu of such deposit RADIOTECH may post a bond or contract of indemnity with the purchaser guaranteeing the return or proper application of such payments to the purposes of this contract.

20. INDEMNITY/WAIVER OF SUBROGATION RIGHTS/ASSIGNMENTS: Subscriber agrees to indemnify and hold harmless RADIOTECH, its employees, agents and subcontractors, from and against all claims, lawsuits, including those brought by third-parties or by Subscriber, including reasonable attorneys' fees and losses, asserted against and alleged to be caused by RADIOTECH's performance, negligence or failure to perform any obligation under this agreement. Parties agree that there are no third-party beneficiaries of this contract. Subscriber on its behalf and any insurance carrier waives any right of subrogation Subscriber's insurance carrier may otherwise have against RADIOTECH or RADIOTECH's subcontractors arising out of this agreement or the relation of the parties hereto. Subscriber shall not be permitted to assign this agreement without written consent of RADIOTECH. RADIOTECH shall have the right to assign this contract and shall be relieved of any obligations herein upon such assignment.

21. EXCULPATORY CLAUSE: RADIOTECH and Subscriber agree that RADIOTECH is not an insurer herein. The security equipment is designed to reduce certain risks of loss, though RADIOTECH does not assume liability, and, therefore shall not be liable to Subscriber for any loss, personal injury, data corruption or inability to retrieve data, or property damage sustained by Subscriber as a result of burglary, theft, hold-up, fire, equipment failure, smoke, or any other cause, whatsoever, regardless of whether or not such loss or damage was caused by or contributed to by RADIOTECH's negligent performance, failure to perform any obligation or strict products liability. Subscriber releases RADIOTECH from any claims for contribution, indemnity or subrogation.

22. INSURANCE: The Subscriber shall maintain a policy of public liability, property damage, burglary and theft insurance under which RADIOTECH and the Subscriber are named as insured, and under which the insurer agrees to indemnify and hold RADIOTECH harmless from and against all costs, expenses including attorneys' fees and liability arising out of or based upon any and all claims, injuries and damages arising under this agreement, including, but not limited to, those claims, injuries and damages contributed to by RADIOTECH's negligent performance to any degree or its failure to perform any obligation. The minimum limits of liability of such insurance shall be one million dollars for any injury or death, and property damage, burglary and theft coverage in an amount necessary to indemnify Subscriber for property on its premises. RADIOTECH shall not be responsible for any portion of any loss or damage which is recovered or recoverable by the Subscriber from insurance covering such loss or damage or for such loss or damage against which the Subscriber is indemnified or insured.

23. LIMITATION OF LIABILITY: Subscriber agrees that should there arise any liability on the part of RADIOTECH as a result of RADIOTECH's negligent performance to any degree of failure or perform any of RADIOTECH's obligations or equipment failure, or strict products liability, that RADIOTECH's liability shall be limited to the sum of \$250.00 or 5% of the sales price, whichever is greater. If Subscriber wishes to increase RADIOTECH's amount of limitation of liability, Subscriber may, as a matter of right, at any time, by entering into a supplemental contract, obtain a higher limit by paying an annual payment consonant with RADIOTECH's increased liability. This shall not be construed as insurance coverage.

24. LIQUIDATED DAMAGES: The parties agree that in the event Subscriber suffers damages as a result of RADIOTECH's negligence to any degree or failure to perform any obligation, it would be impractical and extremely difficult to anticipate or fix actual damages. Therefore, Subscriber agrees that should there arise any liability on the part of RADIOTECH, Subscriber agrees to accept \$250.00 or the amount provided for in paragraph 23, whichever is greater, as liquidated damages in complete satisfaction of such liability and RADIOTECH is released and discharged from any further liability.

25. LEGAL ACTION: In the event RADIOTECH refers this contract to an attorney, to recover any amounts owed by Subscriber to RADIOTECH hereunder, the parties agree that the amount to be recovered, and any judgement to be entered, shall include interest at the rate of 1 1/2% per month from the date payment is due and Subscriber shall pay RADIOTECH's legal fees. In any action commenced by RADIOTECH against Subscriber, Subscriber shall not be permitted to interpose any counterclaim. Any action or dispute between the parties, including issues of arbitrability, shall, at the option of either party, be determined by arbitration administered by Arbitration Services Inc., under its Commercial Arbitration Rules www.natarb.com. This agreement shall be governed by the laws of the State of New York. Subscriber submits to the jurisdiction of New York and agrees that any litigation between the parties must be commenced and maintained exclusively in the State of New York and in the County where RADIOTECH's principal place of business is located unless any party exercises its option to arbitrate as provided for herein. The parties waive trial by jury in any action between them. Any action by Subscriber against RADIOTECH must be commenced within one year of the accrual of the cause of action or shall be barred. All actions or proceedings against RADIOTECH must be based on the provisions of this agreement. Any other action that Subscriber may have or bring against RADIOTECH in respect to other services rendered in connection with this agreement shall be deemed to have merged in and be restricted to the terms and conditions of this agreement.

26. RADIOTECH'S RIGHT TO SUBCONTRACT SPECIAL SERVICES: Subscriber agrees that RADIOTECH is authorized and permitted to subcontract any services to be provided by RADIOTECH to third parties who may be independent of RADIOTECH, and that RADIOTECH shall not be liable for any loss or damage sustained by Subscriber by reason of fire, theft, burglary or any other cause whatsoever caused by the negligence of third parties, except that RADIOTECH shall not obligate Subscriber to make any payments to such third parties. Subscriber appoints RADIOTECH to act as Subscriber's agent with respect to such third parties, except that RADIOTECH shall not obligate Subscriber to make any payments to such third parties. Subscriber acknowledges, that this agreement, and particularly those paragraphs relating to RADIOTECH's disclaimer of warranties, exemption from liability, even for its negligence, limitation of liability and third party indemnification, inure to the benefit of and are applicable to any assignee, subcontractors and central offices of RADIOTECH.

27. NON-SOLICITATION: Subscriber agrees that it will not solicit for employment for itself, or any other entity, or employ, in any capacity, any employee of RADIOTECH assigned by RADIOTECH to perform any service for or on behalf of Subscriber for a period of two years after RADIOTECH has completed providing service to Subscriber. In the event of Subscriber's violation of this provision, in addition to injunctive relief, RADIOTECH shall recover from Subscriber an amount equal to such employee's salary based upon the average three months preceding employee's termination of employment with RADIOTECH, times twelve, together with RADIOTECH's counsel and expert witness fees.

28. FALSE ALARMS/PERMIT FEES: Subscriber is responsible for all alarm permits and fees, agrees to file for and maintain any permits required by applicable law and indemnify or reimburse RADIOTECH for any fines relating to permits or false alarms. RADIOTECH shall have no liability for permit fees, false alarms, false alarm fines, police or fire response, any damage to personal or real property or personal injury caused by police or fire department response to alarm, whether false alarm or otherwise, or the refusal of the police or fire department to respond. In the event of termination of police or fire response by the municipal police or fire department, this contract shall nevertheless remain in full force and Subscriber shall remain liable for all payments provided for herein. Should RADIOTECH be required by existing or hereinafter enacted law to perform any service or furnish any material not specifically covered by the terms of this agreement Subscriber agrees to pay RADIOTECH for such service or material.

29. SECURITY INTEREST/COLLATERAL: To secure Subscriber's obligations under this agreement Subscriber grants RADIOTECH a security interest in the security equipment installed by RADIOTECH and RADIOTECH is authorized to file a financing statement.

30. FULL AGREEMENT/SEVERABILITY: This agreement along with the schedule of Equipment constitutes the full understanding of the parties and may not be amended, modified or canceled, except in writing signed by both parties, except RADIOTECH's requirements regarding items of protection provided for in this agreement imposed by Authority Having Jurisdiction. Subscriber acknowledges and represents that Subscriber has not relied on any representation, assertion, guarantee, warranty, collateral contract or other assurance, except those set forth in this Agreement. Subscriber hereby waives all rights and remedies, at law or in equity, arising, or which may arise, as the result of Subscriber's reliance on such representation, assertion, guarantee, warranty, collateral contract or other assurance. Should any provision of this agreement be deemed void, the remaining parts shall not be affected. This agreement shall run concurrently with and shall not terminate or supersede any existing agreement between the parties unless specified herein.
